

# A is for Alive

I am so thankful to be **Alive**...  
I have wonderful family, wonderful doctors,  
especially Dr. Howard, he always has his camera,  
and he always wishes me a happy Chemo (yuck).  
If it hadn't been for St. Jude, I wouldn't be

**Alive** 😊

All the shots I had to get that made me cry, and  
all of that nasty medicine that made me sick,  
it was all worth it because I am

**Alive** 😊

Thank you **St. Jude** ❤️
