## the Little Red Hen theatre Academy presents “DRAMA CAMP”

“Drama Camp” is a unique opportunity for young students, grades K – 8\*, to have a drama-intensive, educational, and fun experience over two weeks in the summer. Focusing on the basic skills of drama, the camp curriculum will revolve around the theme of our summer production TARZAN. The camp will culminate in a showcase performance for friends and family that feature campers performing their own stories derived from TARZAN. The camp is a fun way for youth to explore and express creativity! Students will be grouped according to age/grade level and limited to 20 participants per group. Students may attend all, or a portion of the camp, as schedule allows.

*(\*Students who will be attending Kindergarten in the fall – students who have just completed 8<sup>th</sup> Grade.)*
